Dear Gwen
Sorry has been back
of fun throughout the
4 years and the
years before. I wish the best
of luck throughout the following
years.

Dear Gwen,

There is a poem that says exactly what I want to say.

"Climb up the ladder of success.
And stop at the door marked happiness."

WE'D LIKE YOU TO MEET

DUDLEY DUDE

He was a visitor to Tucson Senior High School during the 1953-54 school year. Dudley came from the East and saw everything that went on in our school and all the people in it during those two hectic semesters.

To you, Badgers, and the rest of you Badger Backers, the 1954 TUCSONIAN staff invites you to come along with us as we recap the events of the 1953-54 school year at T. H. S. You'll recall many wonderful memories. The exciting and sometimes heartbreaking sports events, the enjoyable moments you spent with your sweetheart at the school's social functions, and the fun you had with your classmates during and after class, are among the many things you will recall. So turn the page and let's go along as—

Dear Gwen -

Well hon - we finally made it - In a way I hate to leave but will really love it up next year at the U. We've had so much fun together this year and I'll never forget it - Remember the slumber party and when we stole that sch... sign - ? Man was fun - huh ? I know next year will really make a ... for journey. like - I hope we can get in the same dorm and become sisters (ha) - Oh well you know what I mean - Seriously its been a darling year. Love Jamie

Administration Building

P.S. Remember our Soph. Eng. class - Boy were we ever nuts - Oh well - we live and learn —

Annex

Gwen - Well kiddo - it's over - Can't we have another year? But me - I can wait for the U. - Hope the best of years to you - Love Betty Montgomery

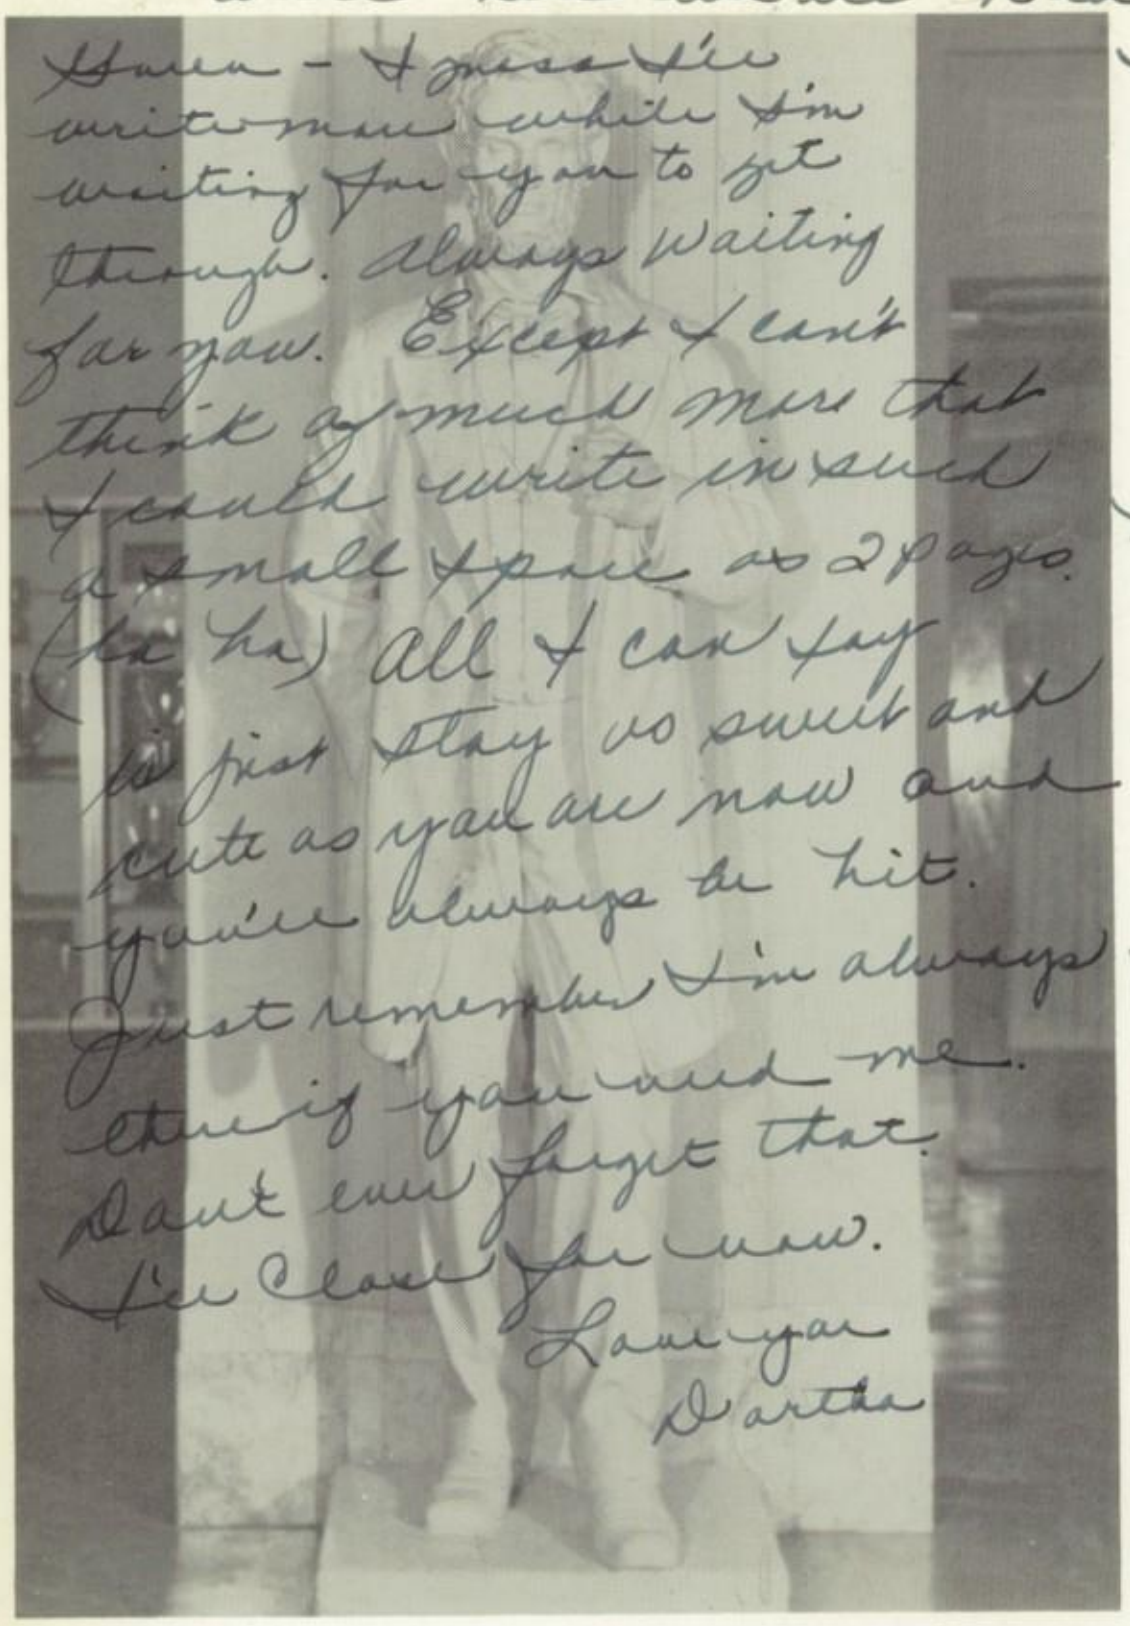
Vocational Building

Dear Loren - (you popular old girl you)

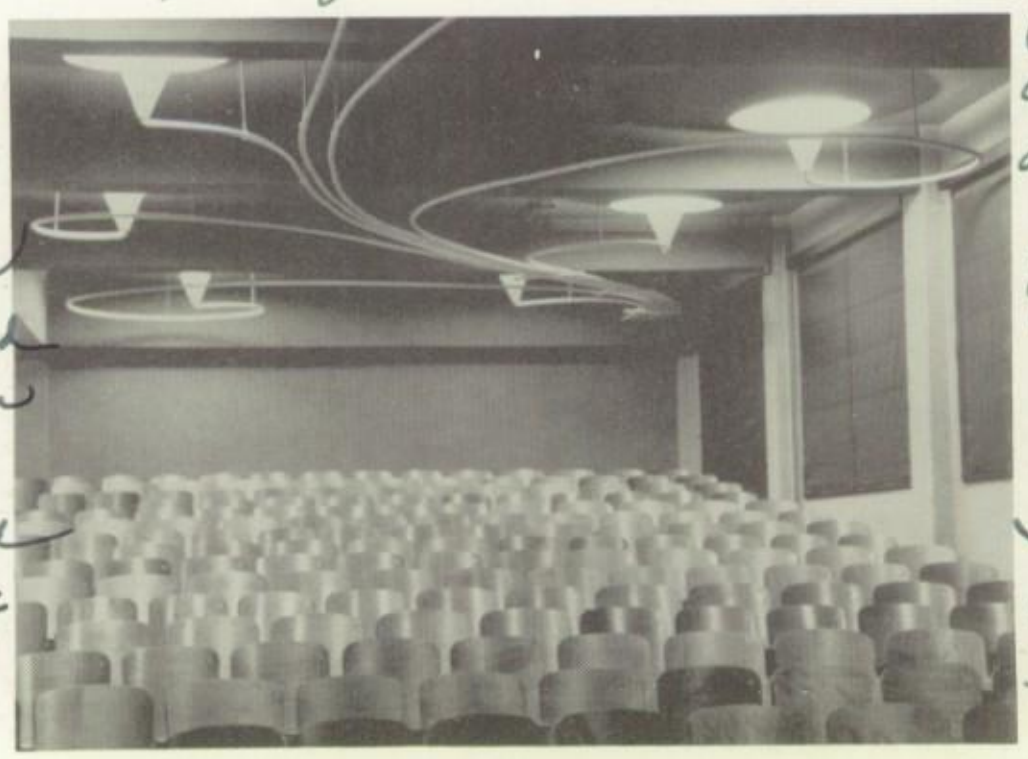
Well here we are Kid at the end of our Junior year and high school. Sure funny doesn't it. & music to long ago we were just starting into the 7th grade. Golly 5 yrs. Hardly seems possible. I guess in those 5 yrs. we've become almost as close as sisters. I sure hope when you go to college that you have a ball and I know any girl as sweet and cute as you can't miss. Remember all our good times. It would probably take hours to enumerate them all as there has been so many. Remember the summer of 52, say what a ball. But then even in jr. high we had it up. What a ball. Remember when we used to sneak your mom's car out etc. and when we got caught. →

Loren - I guess I'll write now while I'm waiting for you to get through. Always waiting for you. Except I can't think of much more that I could write in such a small space as 2 pgs. (ha ha) All I can say is just stay as sweet and cute as you are now and you'll always be hit. Just remember I'm always there if you need me. Don't ever forget that. I'll close for now.

Love ya
Martha



Front Hall, Main Building

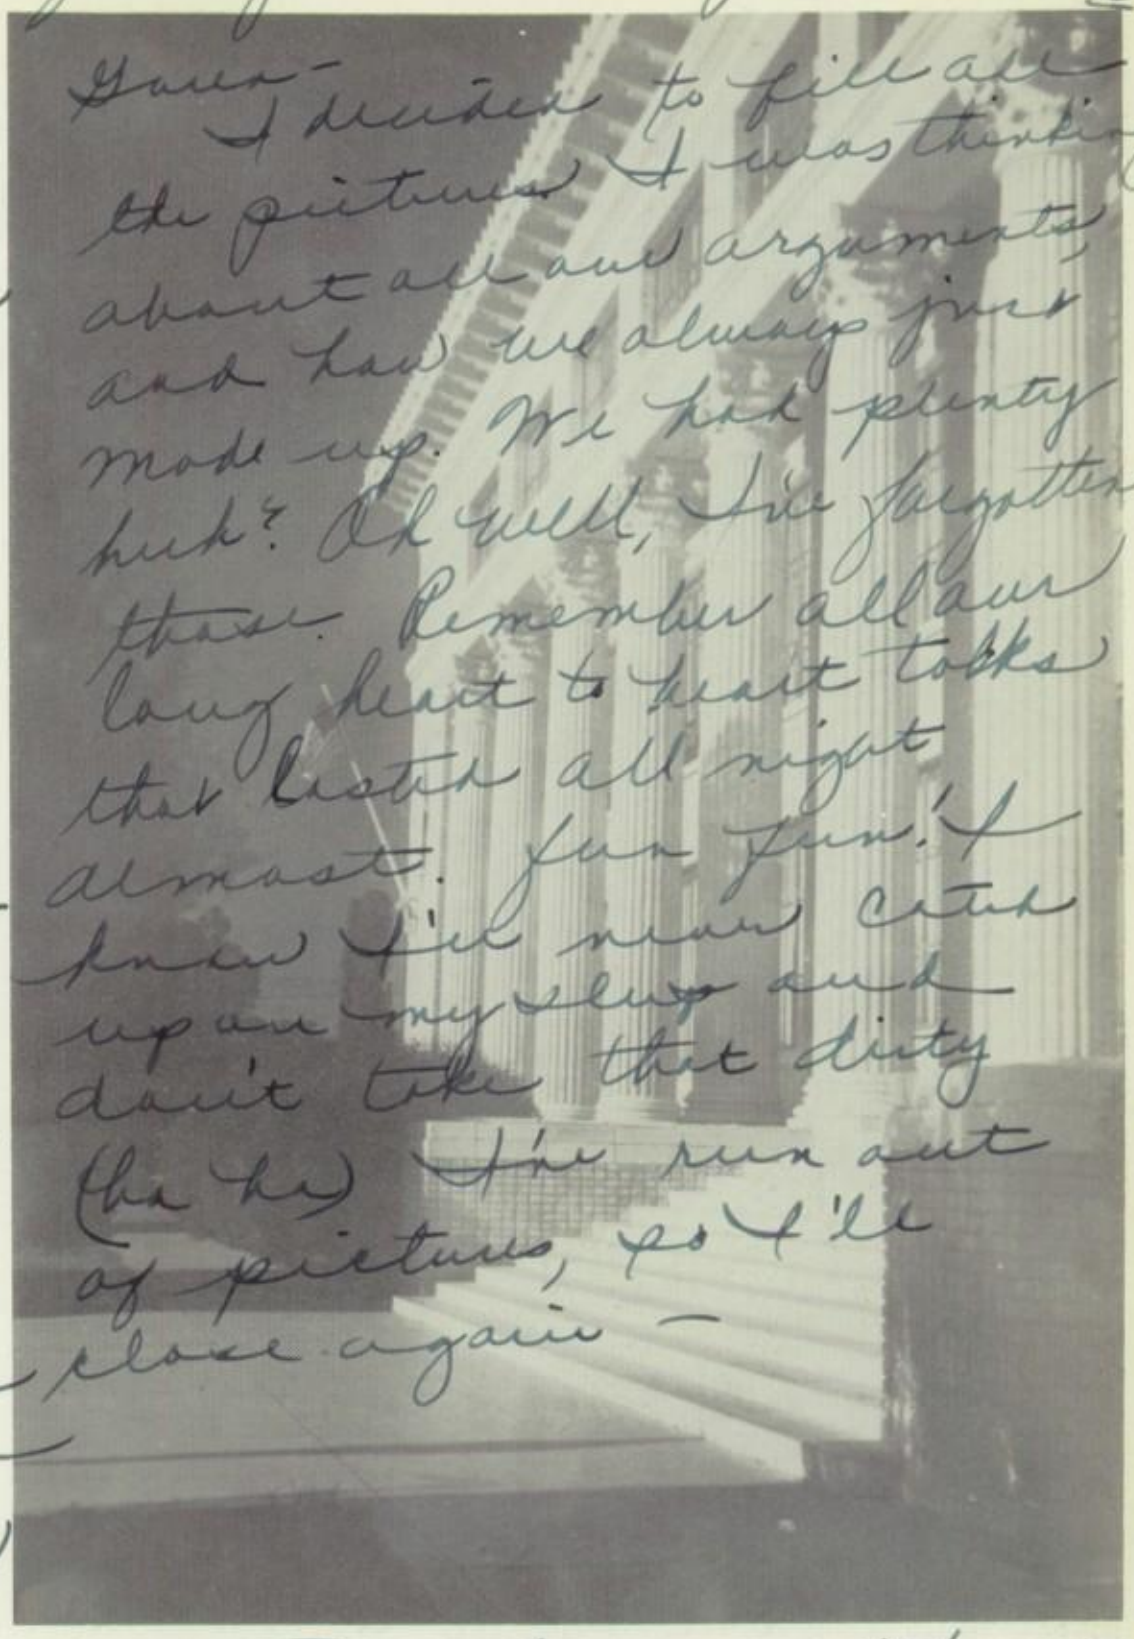


Little Theater

Remember all our little arcades at church. I guess you'll never forget all my trouble with Lorene. I finally went out on top though huh?

It is sure going to seem funny without you around here. I'm gatter kind of used to you. Of course will get to see each other and all, but for a while you'll be awfully busy in college. I know I'll never forget one little thing that has happened in the last 5 yrs. They have been the best. Thanks a lot kid for sticking by me in thick or thin and for all your good advise. I wonder how I would have gotten without you. I know you'll have the best gal you could have - about all I can say is that I wish you all kinds of luck, happiness and all the things that should come to a swell gal like you. Be good, but have fun.

All the best,
Dorthe



Main Building

I decided to fill all the pictures I was thinking about all and arguments and how we always just made up. We had plenty huh? Oh well, I've forgotten those. Remember all our long chats to wait tables that lasted all night almost. Fun fun. I know I'll never catch up on my sleep and don't like that dirty (ha ha) I've run out of pictures, so I'll close again -

Auditorium

It has sure passed fast and it has really been a hell. I guess you know the best years ever. Let's not ever forget "rosebud", or Stanley picnic signs or Thursday parties, cracking parties etc. Just kidding.

You were the greatest for follies & wasn't forgetting those at the proms or any thing else in high school (

MEN AT THE HELM

ANDY TOLSON, *Principal*

Our principal, Andy Tolson, graduated from the University of Arizona in 1926 with A. B. and M. A. degrees.

He immediately began teaching at THS and did so until 1932, when he became Dean of Boys. His next step was as Assistant Principal, in 1942, then Principal in 1950.

Aside from his teaching responsibilities, Mr. Tolson found time to coach baseball for 15 years during which 7 championships were won, and to coach football for 6 years.

Our principal was born in Texas, schooled in Globe, and is now residing in Tucson with Mrs. Tolson who is also a graduate of the University of Arizona.

Our first Vice-principal, Mr. Gridley, received his A. B. degree from the University of Wisconsin and his Master's from the University of Arizona previous to his teaching in THS.

First in his career of teaching was History, Civics, American History, and Economics along with assistant coach of basketball. He became Assistant Principal in 1948.

Aside from his duties as first Vice-principal, Mr. Gridley has charge of the Athletic Department and of the vocational building.

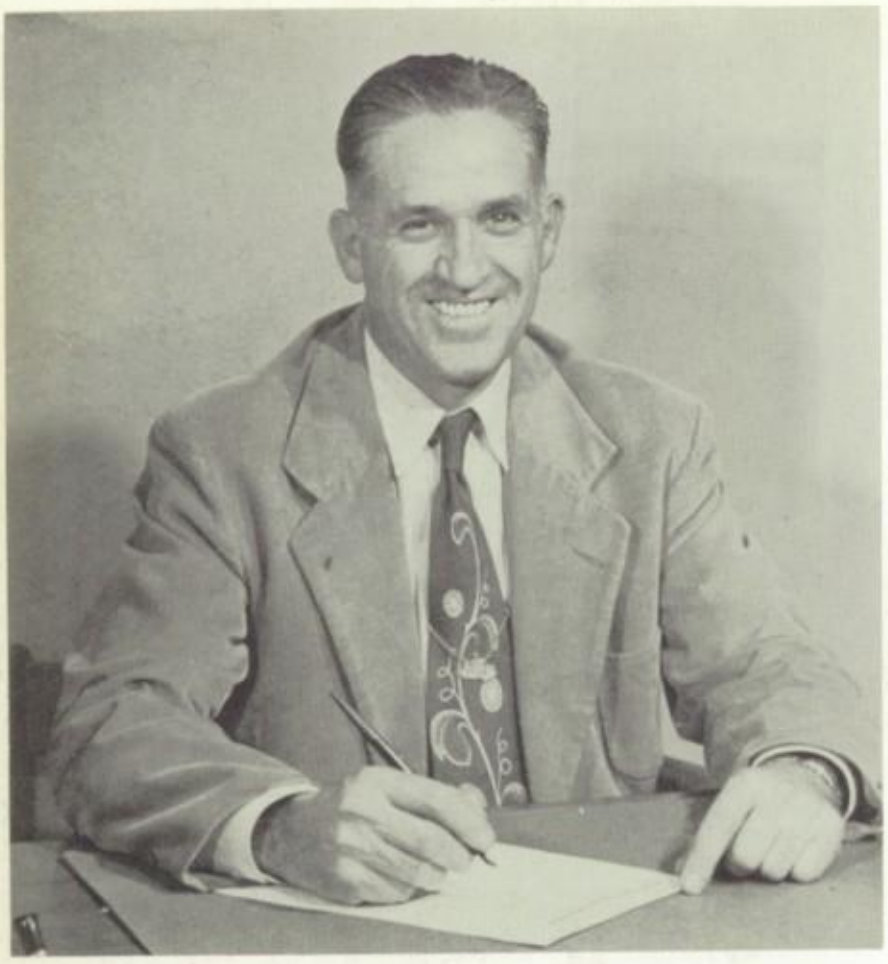
EVENING ADULT EDUCATION



LOUIS BAZZETTA
Director

Lip reading, plumbing, welding, bricklaying? These are only four of the various courses offered at the Adult Evening School.

Under the direction of Louis J. Bazzetta, approximately 800 townspeople are taking advantage of these courses.

Classes meet twice a week and cover a full semester's work in only 72 hours.

Through Adult Evening School, one has the opportunity to increase his knowledge in almost any subject with one great compensation—no detention!

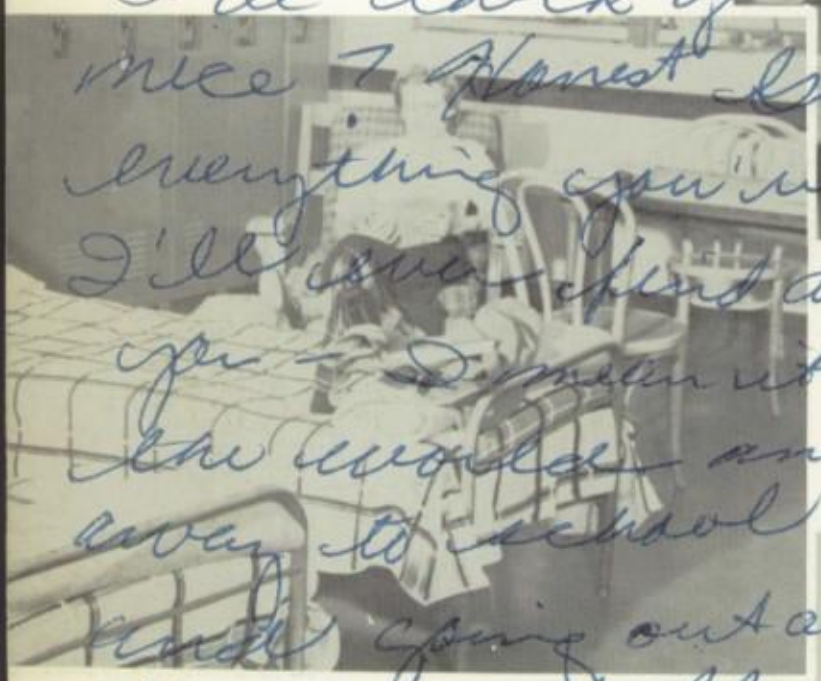
Dear Gwen,

Well, good looking - here we are again at the end of another year! Doesn't seem possible does it. Remember our trips to Phoenix and those crazy sign stealing days at slumber parties & just everything. I'm going to miss you something awful. But knowing you, even if I were there you wouldn't tell me where you started going steady!

LOOKS GOOD

Honest, Gwen I've never met anyone as terrific as you. I always kind of looked up on you - The loyal pal - Gwen that too. When I go away for school don't forget our password - H.U.D.A. Every time I hear it I'll think of you. Now don't that do nice? Honest Gwen I really appreciate everything you've done for me. I don't think I'll ever find another friend as terrific as you - Gwen I really think the world and all of you. When I go away to school I'll miss seeing everyone really going out and raising hell - and I do mean hell. Don't think I'm sentimental but really do you ever think we will find another crowd as perfect - I don't.

BUT IT DOESN'T HURT THERE.



AAAAAHH—THIS IS THE LIFE.

GOSH! WHAT A MESS!!!

Next year when you are breaking every boy's heart in the U. please write and tell me - otherwise I'll go crazy. Gotta go honey pot - Best of everything to the best of them all. I want to wish you all the success & happiness in the world. I know you won't need it 'cause you've got what it takes to have a perfect life

THAT'S ODD!!

I'll never forgit yon, Dawn and all the things we've done together. I said I was going, didn't I. — Well, hon — you know what I mean

Climb aboard the unlimited express, Seniors, for a tour of your Senior Year.

All Aboard! We're off! First stop the University of Arizona.

Tours, a barbeque, a dance, the crowning of the Senior Queen, and, of course, the game highlighted the "REAL GONE" day. Right then and there the 3000 Seniors attending from all over the state decided that the University of Arizona was the place for them.

All Aboard! Hurry, please! Next stop the "Isle of Paradise."

On December 12th, the big moment arrived. All disembarked and made their way to the "Shack," where they danced all evening to the strains of "Hawaiian Paradise" under the watchful eye of the three monkeys who just stole the show.

All Aboard, again! Next stop is the "Great White Way" where the hidden talents of the Class of '54 were displayed for four "Frantic" nights to the unsuspecting public. "Follies of '54 Great Success" headline the papers the next day.

Hurry now! This year is speeding swiftly along! Next stop—"Ditch Day."

One fine spring day, the halls of T. H. S. were strangely quiet. The Seniors were out on the town having one really fine time leaving T. H. S. to enjoy the rare peace.

Hey! Fun! You'll miss the final and most important stop of the year if you don't hurry.

Baccalaureate and Commencement, last stop. This is the end of the line, the greatest moment of your high school career.

With cries of "Sophomore" naught but a hazy memory, the class of '55 returned in September, well on their way to making this year their best ever.

The Junior class councilmen, elected in January, eagerly pitched in to help with their annual prom in honor of the Seniors.

With the able assistance of Ernest H. Mariscal, Junior Class Advisor, they saw their dream of "Rhapsody In Blue" become a reality as they transformed the cafeteria into a blue and silver ballroom featuring "Young Man With A Horn" and "Torch Song."

To wind up a busy year Junior Guards and Flagbearers were elected to assist in the baccalaureate and graduation exercises.

Under the capable leadership of Mike Flood, President, Dick Wong, Vice-President, and Secretary Sue Cook, they completed another successful year and looked forward to the day when they would step into the shoes of the Seniors and steer the course of THS in the coming year.

Dear Gwen,

Well we finally made it, hey? I'm so glad that we got to be the best of friends way back when we were Baby Sophomores. What fun we've had since then! Just take for instance the time we took the school sign and put it in front of the S.A.E. House and had you were pinned to the bed sheet. I hope I'll continue to see just as much of you in college and that our friendship will never cease. Wouldn't it be nice if we made the same sorority? That is if we make one. Anyway if I make one. I hope we get our little trip to California this summer. Do we can really live it up like "Betty Lou". Well bye,

I just can't think of another thing to say except I stay just as true as for your perfect that way. The best of wishes always to you and I can anything you set out to do or I can't think of no other person that deserves it as much as you.

Love always,

Babe

Followed at first by the traditional wise cracks and jests, the sophomores nevertheless put in a full year at their many activities.

President Paul Chan called a meeting of class officers, justices, and councilmen the first part of December to make a rough outline of activities for the year. These included planning the Sophomore Hop for April 10 and taking a part in the school carnival on March 19.

Sophomore councilmen were elected shortly after this meeting, and work began on the Hop around January.

So the Class of '56—1,400 strong—is off to a good start. Let's see what they can do next year!

40 Sophomore Councilmen were elected in December, one from every home-room having 10 or more sophomores.

In January, councilmen, split up into various committees for the Sophomore Hop, including publicity, decorations, programs, invitations, dues and tickets, music, and refreshments.

Headed by co-chairmen, these committees undertook the tremendous task of planning the Hop. First, a theme had to be decided upon, then decorations, programs, and music planned; dues and tickets had to be taken care of, and refreshments planned.

Finally, on April 10, the fruits of all these labors were revealed, and everyone agreed that the Sophomore Hop of '54 was well worth waiting for!

Gwenni –

Well Babe, your days at T.H.S are now over, mine are just beginning. I've had a real swell time at this crazy mixed-up high school just as I have had knowing you all through the years. Soon, I imagine, you'll be a getting all hitched up like Dot and I'll have to go find me another girl (sob!) Well, I may look high and low but I'll never find another quite like you'all. Well Toby ol' kid take it easy and if you go to college don't thrill all the boys too much. Remember you're still my favorite girl.

Always Loyd

Dear Gwen,

It's been a blast this year I've had. Hope we can continue next year. Good Luck next semester girl.

Think of something brilliant,
~~Think~~ Think of something bright,
Think of something simple,
But just be sure to write.

Pointing for a third straight Class A championship at the outset of the 1953 grid campaign, Tucson's Badgers developed an early case of offensive engine trouble and finally crossed the finish line with a sixth place, 5-5, won-lost mark.

THS opened the season with a quick burst of power as it spurted to wins over Bisbee and West Phoenix only to lose them both through forfeitures. Apparently disheartened at the turn of events, the Badgers lost the effectiveness in their offensive

punch and failed to regain it completely throughout the year.

October 2, the Red and White traveled to North Phoenix where they fell to Kenny Aycock and company, 14-0. The Mustangs then went on to monopolize the Arizona football industry with an undefeated record.

A week later the Badgers journeyed to Yuma and finally broke into the official win column by nudging a stubborn Criminal outfit, 7-0, on the strength of a lone tally late in the contest.

Taking to the road for a third straight week, Tucson de-armored a light but eager St. Mary's Knight, 20-13, although forced to come from behind twice.

Next on the list of "formidable foes" loomed the mighty Jackrabbits who leaped in from Mesa and went hopping back home with a 22-0 win that still recalls unpleasant memories.

Following the loss to Mesa, Coach Jason "Red" Greer began to shuffle his starting lineup with some success as the rebounding Badgers dumped Phoenix Union's Coyotes in the first of two encounters, 14-0.

Then came the Douglas Bulldogs with high hopes of snatching a possible upset victory. However, THS had different ideas that evening, and relentlessly poured on a touchdown barrage which completely silenced the barking 'Dogs, 50-14. A week later, PU once again bowed to THS, this time by a nar-

ower, 13-6, margin.

All of which brings us to Thanksgiving Day and the University of Arizona Stadium where the scene was set for the annual Amphitheater-THS fracas. Although Amphi entered the contest boasting an eight game win-streak, Tucson still rated a slight edge at game-time. But the narrow margin of a "toe" spelled defeat for the Badgers as Panther halfback Bob Bradford stepped into the field and calmly booted a game winning field goal with only three minutes of play remaining.

As per expectations, Fullback Mike Morales and Tackle Dick Nordmeyer earned spots on the Class A All-State eleven. Morales sparked the Red and White offensively as he became the team's leading scorer with

eleven touchdowns, while doubling as a defensive safety man. A giant both offensively and on defense, Nordmeyer opened big holes for his own teammates and effectively plugged them for opposing runners. Others who contributed greatly in the regular Tucson Backfield were Jerry Coppola, Ted Guire, Dick Bertagna and Jim McGuire. Among the regular members of the hefty forward wall Charles Orsi, Bob Pettijohn, Bernard Briggman, Bob Allen, Bill Alexander, and Mike Flood also rate a great deal of praise for their outstanding performances.

Some 20 seniors will be lost to next year's football edition due to graduation. They are: Bill Alexander, Tom Bach, Dick Bertagna, Bernie Briggman, David Corrocci, Phil Castillo, Jerry Coppola, Ted Guire, Willie Huckaby, Cliff Kavanaugh, Lawson Key, Bob Minish, Mike Morales, Dick Nordmeyer, Bob Pettijohn, Lloyd Rhodes, Don Rice, Bob Salvatore, Herb Selby, Bob Helsper and senior managers Joe Sligh and Robert Lee.

JUNIOR VARSITY

The Tucson Jayvees, having completed their second year in existence, are sending a wealth of material up to the Varsity next year.

The team, under coach Lou Farber, defeated all competition in sight rather decisively in establishing themselves as mythical state champions.

On their schedule were such teams as Douglas, Fort Grant and Mesa.

Their complete victories over these teams are illustrated by the fact that the Jayvees scored 220 points to their opponents' 20.

They were scored on in only two of the 6 games they played. Both of these games were against Mesa, who had defeated all the teams Phoenix had to offer and carried a large win streak into the first of the contests. Having defeated Mesa 21 to 14, in the first game, the Tucson club showed their superiority even more by coming back and drubbing Mesa 32 to 6 in the second of their encounters.

Thus ended an all-victorious season for the Tucson Jayvees.

CUBS

By smashing Amphi twice and defeating Nogales and Salpointe, the Tucson High cub football squad finished the season with 4 wins and 4 defeats.

These sophomores, coached by Francis Rickert and Oscar Carrillo, lost their first encounter to the Indian School Braves 13-6, but came back next game to trample Nogales 19-0. Between the two Amphi games in which Sonny Valencia ran wild for the cubs, Casa Grande slighted the future Badgers 6-0.

Bisbee was the next battlefield where Tucson surrendered a 7-0 defeat. After downing Salpointe 13-6, a replay with the Indian School, in which the cub first string did not play, was taken 13-0 by the opponents.

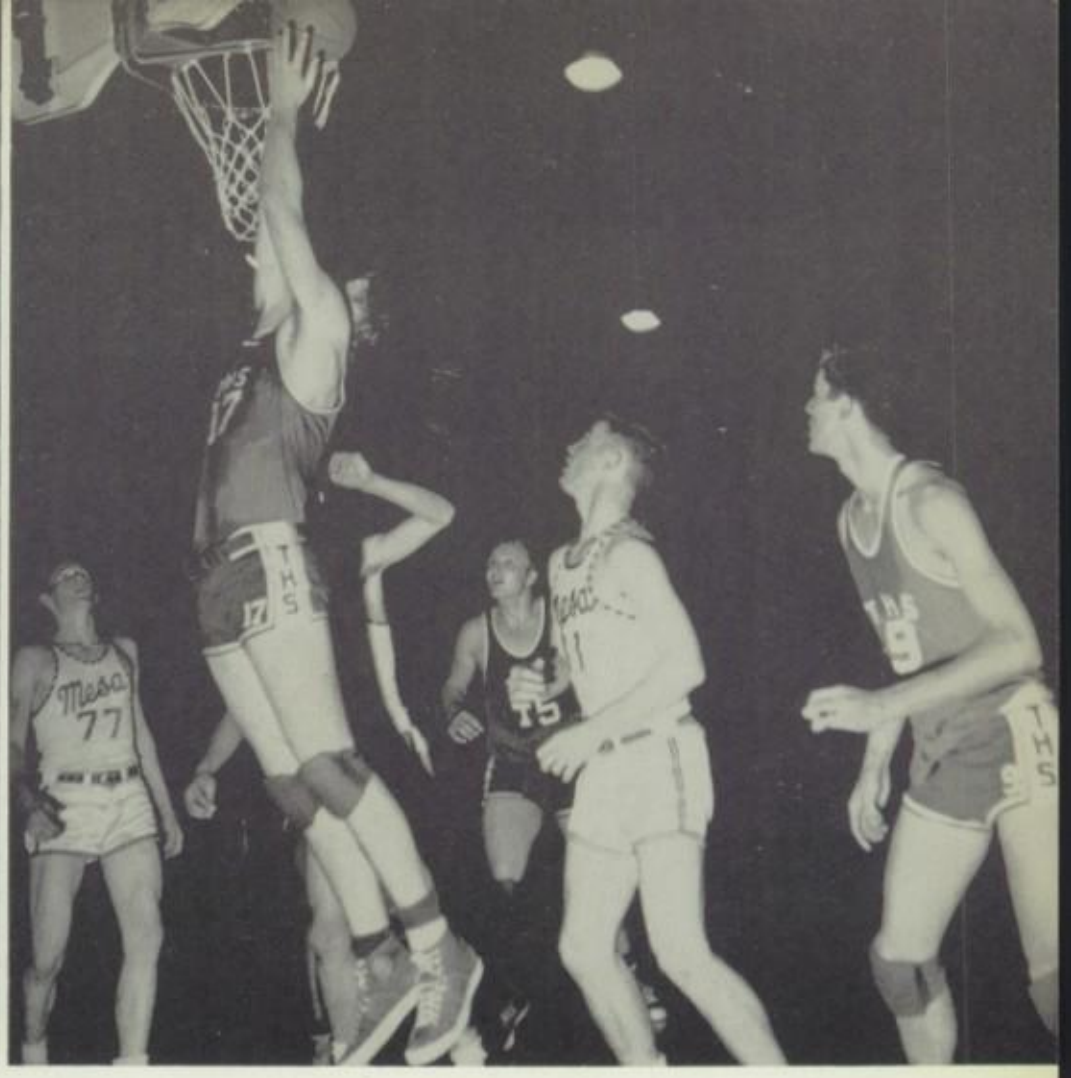
Coach Bud Doolen

Tucson's 1953-'54 basketball squad streaked through an eighteen game win skein and took another pair of victories in the post-season tournament to wind up its campaign with a regular season championship and a tourny consolation award.

With Coach B. C. (Bud) Doolen again at the helm, THS mounted an outstanding, 20-2, won-lost record to top all Class A Teams. The Badgers went undefeated until the season finale when they dropped a heart-breaker to an upset-minded Mesa quintet. Then, in its opening game of the Class A tourney, Tucson fell to Phoenix Tech, who had already submitted twice during the regular season.

In their season opener the Badgers were forced into overtime before edging Tech, 59-58. Then they gathered steam and rolled past Nogales, twice, North Phoenix, Bisbee, West Phoenix and Yuma before meeting difficulty.



All-Stater

Mesa almost spilled THS in their first meeting but the Red and White came to life in the final quarter to halt the surprising Bunnies, 53-49.

As the season progressed, Tucson systematically tumbled Phoenix Union, Glendale, and Amphitheater, twice each, while Tech, Yuma, North and West fell for the second time.

With the outset of the annual Tourney, THS was a solid favorite to take home the Class A crown. However, Tech's persistent Hornets immediately dropped the Badgers into the secondary bracket. Following their disappointment Tucson roared back to run away with the consolation award after sinking Amphi and North.

Two Points

It was Doolen's starting five, Garth Wilson, Joe Gunter, John Douglas, Jim Acton and Eddie Mitchell, who comprised literally the Badgers' total striking power. Dick Nordmeyer contributed most of the reserve strength.

Wilson, generally considered the best prep performer in the state, was named to both the All State and All Tournament first team center positions. Gunter and Douglas were awarded guard and forward spots, respectively, on the All State second team.

CUBS

Mr. White receiving award from team.

Tucson High's cub basketballers had an outstanding season as they captured eleven straight victories and went on to wind up the year with a 14-3 record.

Cub Coach James White molded the sophomores, made up of former junior high cage stars, into a well co-ordinated squad and led them successfully through their first games. After being awarded an offer by the Kellogg Foundation, White resigned. Cliff Myrick, who played college baseball and basketball here, took over the team and capably coached them to the finish of the schedule.

During this season, the rival Amphi was trod upon twice by scores of 45-32 and 42-30. Phoenix Tech, West Phoenix and Mesa were the only groups powerful enough to subdue the cub quintet. Sophomores seeing most action were: Joe Kranbold, Paul Bohardt, Ernest McCray, Ray Hopkins, Monte Nickols, Tommy Stricker and Duane Holloran.

With only seven veterans to use as groundwork for a new diamond squad, Head Coach Hank Slagle and his assistant, Lee Carey, were faced with another maior rebuilding job as the 1954 baseball campaign officially opened March 5.

Only catcher Jim Wing, third sacker Mike Morales, outfielders Joe Gunter, Ken Uvodich, Larry Seal and pitchers Jerry Coppola and Ben Carbajal remained from the previous year's regular season Class A champions.

After shifting Uvodich from behind the plate to right field and Seal from the initial sack to the green pastures, the Badger nine began to take form. Then Slagle placed Rene Zamorano at first, Armando Anaya at the Keystone, Dick Pesquiera at shortstop and Jim McGuire and Rudy Manzo in other outfield slots as his first team concluded its formation.

THS got off to a flying start as they handily defeated the University of Arizona Freshmen and Phoenix Tech, then went on to close a rugged twenty game campaign with the University Week championship tournament in May.

Among their opponents the Badgers encountered cross-town Amphitheater twice and the Frosh three times. For the first time Tucson met the Salpoint Lancers in varsity competition.

CUB BASEBALL

Tucson's cubs opened an eleven game schedule March 5 with a 5-3 loss to Hayden, but rebounded to close a highly successful season against Benson, April 27.

With Coach Tedd Bailey steering the future Badgers they encountered Hayden, Amphitheater, Marana, Patagonia and Benson twice each, and Wilcox once along their route of varsity and J. V. opponents.

On the mound the Cubs boasted front line pitchers, Tim Tomko and Dave Baldwin while the receiving end of the battery knelt catchers George Medina and Gordon Carler. Around the infield, Linn Wallace performed the first base duties, Ed Arce covered the keystone, Steve Corrales colled the hot corner and Jerry Wamsley was the regular short stopper.

To round out Bailey's starting lineup, Glenn Garrett, Tony Moon and Richard Martinez roamed the left, center and right field pastures, respectively.

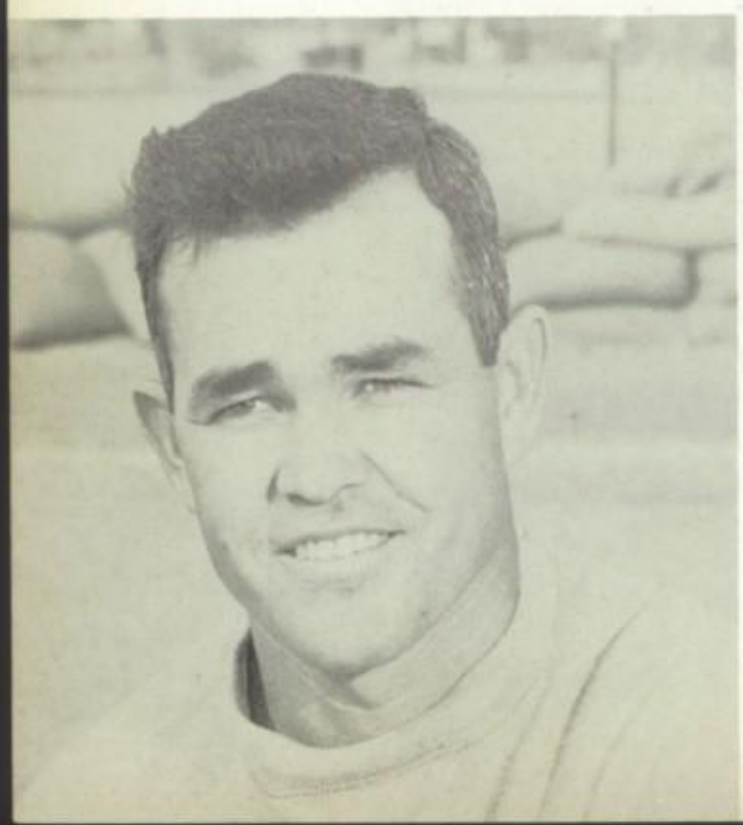
TRACK

Coach Gale Bell



Blessed with a wealth of returning veterans, Tucson's track squad opened its season against rival Amphitheater March 6 and completed a rugged, 10 meet schedule, with the University Week events in late May.

Under the guidance of new Head Coach, Gale Bell, who moved in to fill the vacancy left by the retirement of J. D. (Doc) Van Horne, the Badger thirties plowed through a schedule laden with numerous Class A powers and several "b" squads. To assist Bell, Orville Robinson was lured to T.H.S. from North Dakota. Robinson worked with distance and hurdle performers while Cub Football Coach Francis Rickert tutored the weight men.

As was expected. North Phoenix, Phoenix Union and Mesa all provided some rugged competition as did most T.H.S. opponents. However, the Badgers still came through with a highly successful campaign.

Bell's Cindermen proved to be strongest in the 880 yard run, the 100 and 200 yard dashes, the high jump and discus. The mile and 440 yard categories were a little more lacking in depth while the pole vaulters, shot putters and broad jump performers pitched in their share of points throughout the year.

CUB TRACK

Although the Cub and Varsity track squads combined under the same coaches, the sophomores, as a unit, ran a tough seven meet schedule of their own.

In their opening meet on March 5 with the Tucson Indian School, the soph's fell, 62-51. Other meets were slated with Benson High School, Amphitheater's Junior Varsity, North Phoenix JV's, Mesa JV's and Phoenix Union JV's. The Cubs also participated in the Tucson Junior Varsity Relays held here March 20.

Some of the outstanding sophomore performers included Dick Wells and Bill Briscoe, sprints; Ronnie Owens, 440; Buzzy Mattingly, 880; and Jerry Anderson, Ben Wilder and John Barringer on the mile run. Lionel Frailey and David Neal spark the Cubs in the hurdles while Bill Philips and Dick Markins top the shot putters, and Joe Cesare and Dick McGee handle the discus. Neal also shines in the pole vault.

CROSS COUNTRY

The Cross Country team completed in 1953 their third year of competition. Through the season they compiled a 2 won, 4 lost record.

There was a total of 16 boys on the squad. Of these 16, 14 participated in meets against rival schools. Fred Anaya, Dan Becraft, manager, Jim Brooks, Don Carmichael, George Downs, Jim Le Cain, Ronnie Pruitt, Jim Riley, Larry Seal and Clarence Mattingly were recommended for a major letter. Benton Burns, Jack McBride, Joe Herreras, Ronnie Owens, and Andy Kelley rounded out the team.

They opened their season on October 30 against Phoenix Union, who defeated them 23-33. In this particular sport it's the team that finishes with the least number of points that wins. On November 5 the team took on the University of Arizona team and were again defeated. This time it was by the score of 24-31. There then followed 2 more defeats, one by the U. of A. (21-24) and the other by Phoenix Union again (24-32). Following these defeats the team traveled to Papago where they finally broke into the winners circle by defeating the West Phoenix Thunderbirds 20-36. They later defeated North Phoenix 16-40 to end the season in victory.

The 1953 team was a much better team than the record indicates. In fact, they were dubbed the "Greatest Cross Country team yet," by their coach, Mr. Gale Bell. It was their fine team spirit, desire to win, and their having what it takes to win in a long race that prompted this statement.

WRESTLING

For those of you that think that wrestling is just a big fake, there are thirty-eight reasons to prove you wrong. Those reasons are the members of the Tucson High wrestling team.

The wrestling that these fellows do is a far cry from the professional "grunt-and-groan" artists that you see. Most professional matches are governed by the rules of "catch-as-catch-can" wrestling, which is to say no rules at all. But the T.H.S. wrestling team follows the rules of the A.A.U.

Under the direction of Mr. Ken Pearson, these junior grapplers learn the finer points of scientific wrestling. The team captain is Lou Enriquez.

Of the thirty-eight members on the squad, ten are chosen to compete in each match. The ten weight classifications which determine the matches range from one hundred twelve pounds to unlimited. The team had ten matches and three tournaments during the year in which they competed with some of the best high school wrestlers in the state.

GYMNASTICS

Gymnastics, one of T.H.S.'s lesser known or heralded major sports, this year lured thirty-five young men to regular practice in the basement gym under the super-vision of Coach W. W. Westervelt.

The team competed in major meets sponsored by the State College at Tempe, the State High Schools, and the A.A.U.; and in inter-school meets with North High and West High. The A.A.U. meet was probably the toughest because of the keen competition. This meet was open to amateurs of all ages, whether in high school or not.

Some of the events entered were the rope climb, free exercise, tumbling, side horse, long horse, parallel bars, horizontal bars and the trampoline.

Completing a most successful year, the boys' tennis team has worked hard to keep its place as one of the top teams in the state.

Under the fine direction of Coach Si Ganem, the ten boys making up the class practiced daily. The boys are required to play at least one match a week.

The tennis ladder determines the position of the boys who are competing for the top five rungs of the ladder. The top five make up the team.

The four boys who held top places throughout the year were Don Harrison, Pete Berwick, Herman Carrillo, and Bill Emory.

These boys have competed against many top teams including Mesa, Phoenix, and Yuma.

When not combating illness, car wrecks and other plagues of tennis teams, the five stars have found time to win many of their matches thus far, dropping only one to West Phoenix 4-3. During the entire season they have scheduled matches with many Arizona cities. If possible two matches are scheduled to enable each team to play on its home court.

The girls also may participate in tourneys such as the Arizona open Tourney, The Arizona Closed and the Tucson City-wide Tournament on their own.

After playing three days a week at El Rio Golf Course and practicing two days a week at Randolph Golf Course, the 11-man golf team was ready to enter the first state tournament. This 36-hole tournament was sponsored by Phoenix Jr. College and was held at the Biltmore Hotel Golf Course in Phoenix on April 17.

Another 36-hole state tournament was held in Tucson during University Week. Scattered between these two tournaments were ten 18-hole matches—two each with Douglas, St. Mary's (Phoenix), West Phoenix, North Phoenix, and Glendale.

Under Coach James Black and captain Don Keller, the team has worked hard all year and deserves much recognition.

Sixteen Senior Songleaders livened the atmosphere at football games last fall. Headed by Marcia Sgutt, they danced to everything from jazz to waltz music. Miss Joyce Sprinkle directed the song-leaders who were enrolled in special P.E. classes and even held practices in the evening which helped them to get ready for their halftime performances. They also danced at outside activities including the A.E.A. convention and the Pima County Fair. Their Spirit will really be missed.

Our peppy cheerleaders under the capable leadership of Joanna Bonecutter kept up the school tradition by being "better than ever." Cheering at football and basketball games here and away the 10 girls kept THS rooters inspired, and introduced several new cheers. Hard work and originality won these girls much praise.

The newest thing in pep-raising was added to Tucson sports activities when the school organized the sophomore cheerleaders. This little quintet backed the Cubs whenever they played and can be credited with being a large factor in the success of the 1953-'54 Cub athletic squads.

Something special was presented at each of the fall football contests in the persons of the boys' gymnastics class. Before the game, during the game and at halftime the THS tumblers entertained the crowd with their feats of gymnastics.

Leading the "T" men to a successful year were President Mike Morales and Vice-president Fred Pain. Jim Wing handled the finances of the club and he was also an active secretary. Track Coach Gale Bell acted as advisor at the meetings.

The year began with an informal gathering at Rancho Barra Nada on November 7. The eve of the Rodeo parade, February 18, was the club's annual dance. Other activities included the fall and spring bloodless initiations, and different picnics and dances throughout the year.

To receive a letter a girl must earn 16 points for a minor letter and 25 points for a major letter. Two points are given for each club a semester. For a major letter a girl must have 2 service points which she can earn through G.S.L.

This vear's letter winners are Jane McPherson and Vinita Read. Jane is secretary of G.A.A., active in tennis, and is secretary of the Fencing Club. Vinita is treasurer of G.A.A. and is very active in fencing.

Girls Service League also plans several social events during the year, so they do have fun along with their work.

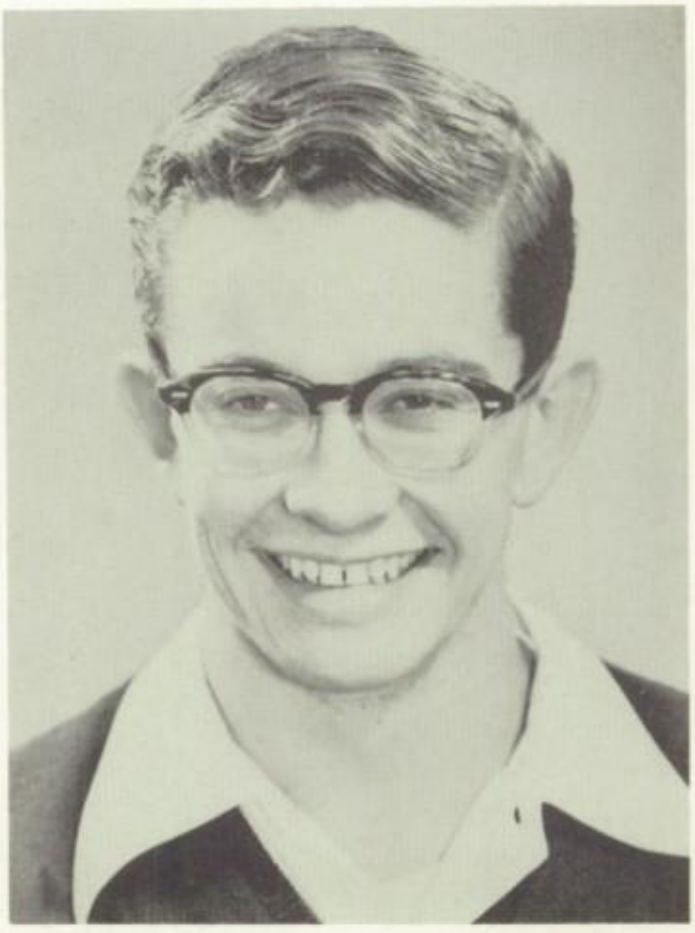
STUDENT



Chris Carroll
President

Under the leadership of Prexy Chris Carroll, the student body officers accomplished many new feats this year that will help to put THS "on the map!"

One of the main projects of the year was the THS carnival, sponsored by the Student Council, in which various clubs had concessions and ran different booths.

The Rival Romp, a dance which Amphi and Tucson High organized was given by the Student Council in order to promote good feelings between the two schools after the annual "Turkey Day" football clash.

Student Council members and homeroom representatives patrolled the halls during class time in order to lessen the commotion.

Our Student Body Officers this year will long be remembered in the history of THS for their fine handling of school affairs.

Chief Justice

The Traditions Committee, under the fine guidance of Mr. John D. O'Neill, is the organization responsible for enforcement of our school rules. Their main objective is to keep discipline by the fairest method possible; through government by the students themselves so that each problem can be better understood.

They meet with court each Tuesday and Thursday to try those who have been given summons for breaking a rule. The students decide the penalty in accordance with the violation.

The committee is composed of Chief Justice—Jim Robinson; Senior Justices—Judy Edel and Bessie Acton; Junior Justices—Judy Fay and Tim Dickey; Sophomore Justices — Dave Heckler and Louise Muir; Recorder—Don Bushroe and Baliff—Mike Flood.

As "Dudley the Dude" romped gaily through the pages of the 1954 Tucsonian, the editors and staff were hard-put to keep up with their little mascot in cartoon form.

From the moment "Dudley" stepped off his train and popped his inquisitive head into room V5, he never ceased to be out of mischief, and managed somehow to have his picture in every section of the book.

"Dudley" got a birds-eye view of all the work that goes into the Tucsonian and was really amazed at the amount of originality and plain old hard work put into it.

For instance, all the editors had to make up a complete dummy outline of their own section. Then the copy was written and later typed on the dummy sheets.

ONIAN

On-the-spot photographers snapped all the candids and club pictures which the production staff sat up late on deadline nights pasting on the printers' sheets.

This year's subscription staff started what promises to become an annual custom, that of choosing a Tucsonian Queen. Nominations were held in the homerooms and the top twenty girls were put on the ballot and voted on. The final election was held just before Christmas and the five winners were announced in the Chronicle. The queen's identity was kept a deep dark secret until this book came out.

Regardless of all this work, the Tucsonian couldn't have come out without the advertising staff, who solicited ads every afternoon after school.

Even "Dudley" had to admit that the editors and the staffs with the help of Mr. Ace Flake, adviser, did a good job of making this year's Tucsonian the "biggest and Bestest" ever.

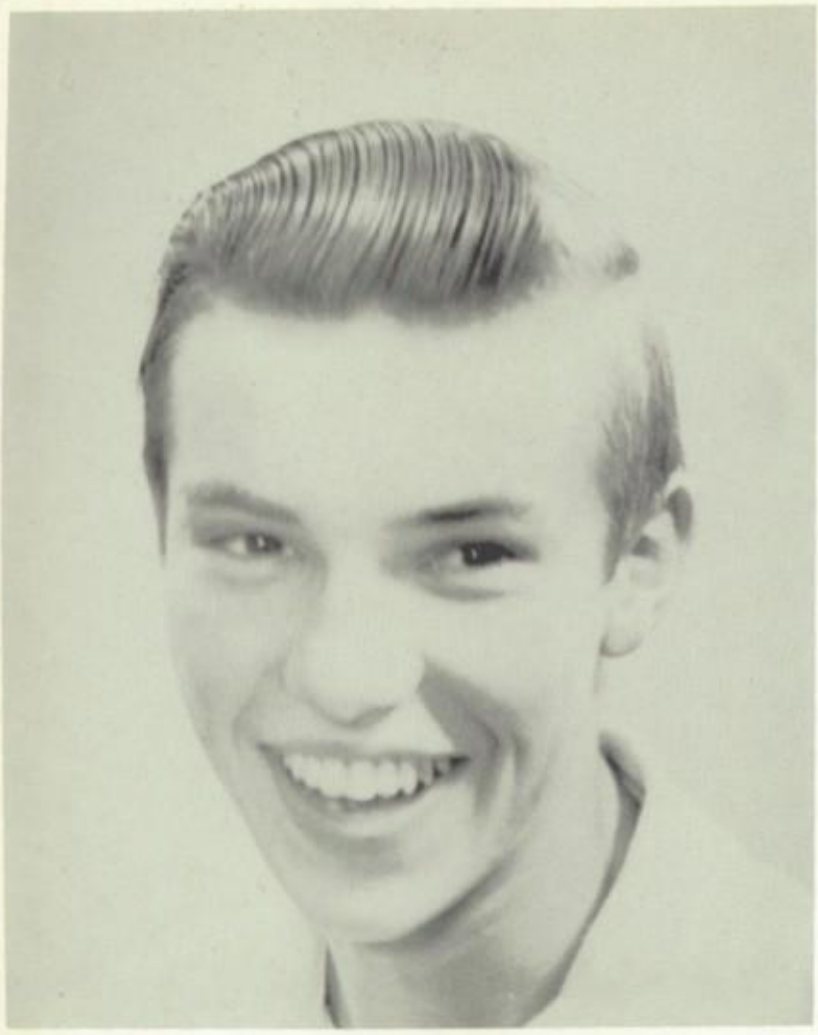
CACTUS



Ken Zahn
Editor

Distributed semi-monthly, the Cactus Chronicle is a product of hard work and igeniuty. Winner of the National Columbia Press Association Award for the last 11 years, it is also the recipient of many other awards.

Did you ever wonder about the work and preparation behind the Chronicle? Here is a brief resume of it.

Staff members are picked on the basis of teacher's recommendations. Staffs included are writing, sports-writing, advertising, and exchange-distribution.

Writers receive their assignments early in the week and they are due on Monday of the next week. During the week the Editorial Board corrects copy and writes heads for stories. They also proof read and on Mondays the proofs are cut and the pages are dummied.

Many former T. H. S. students subscribe to the Chronicle, which is also sent to other schools throughout the world. The exchange staff takes care of this task after distribution of the paper on Thursday.

Miss Harriet Martin, Chronicle adviser, and the Editorial Board are in charge of the editing of the paper. Everyone agrees that they don't know what they would do without Miss Martin, who has directed the paper for the last nine years.

Sponsor of the Rodeo Queen contest, the Chronicle keeps the Queen's identity and that of her four attendants a secret until the rodeo issue comes out.

Staff members enjoy working on the Chronicle and never forget the friendships and education they gained while working on it.

QUAR

Paula Williams
Editor

Here it is, the end of the year, and again the Quarterly has done a marvelous job in editing a literary magazine more appealing to everyone.

This has been due to the efforts of Paula Williams, editor, Mary McCray, managing editor, and Miss Harriette Martin, adviser. Much credit should be given to the 110 staff members and editors. The printing was done by the Graphic Arts Department with the help of Mr. Otis Chidester.

At the deadlines, which come four times a year, you can usually see all these students rushing around trying to get their assignments in on time.

The first issue had the "back to school" theme. In it were featured Sophomores and their doings, and the Student Body Officers.

The December issue centered around Christmas and all that goes with it.

TERLY

The second month of the year saw the Juniors come into the spotlight. The issue featured the events of February, such as Rodeo Season.

The final issue, Graduation, gave the Senior all the publicity they had ever hoped for. In the class will everything imaginable was handed down to the unsuspecting underclassmen. The class prophecies were also a section of interest in this issue of the magazine.

The Quarterly offers an outlet for the writing, photography, and art work of any student in T. H. S.

Applications for positions on the magazine are available at the beginning of the school year.

The assembly committee is responsible for the fine assemblies which we have once every three weeks. Their objective is to give the student body good, enjoyable and interesting programs.

The committee is under the capable leadership of Mr. Paul Koch and is composed of the chairman, Chris Carroll, and three persons from each class.

During the first semester the orchestra put on a very enjoyable and of course musical assembly.

A talent show put on by gifted students of the school helped raise money for the "March of Dimes."

Then with the coming of the Christmas season came the annual Christmas Assembly put on by the combined Music and Dancing classes. Because of the crowded school conditions it was put on in the afternoon but was still well attended.

In the spring Club Cervantes gave its annual assembly in the form of a variety show. Wayne Webb's band of professional musicians presented another musical assembly. The assembly committee accomplished its objective this year.

NATIONAL HONOR SOCIETY

Officers Mike Morales, Sylvia Frampton, Barney Hunts

Since 1929, Chapter 70 of the National Honor Society has grown from a tiny eight members to its present size of 124 strong.

Approximately fifteen per cent of the graduating class are enrolled in this organization, which strives to uphold the four qualifications of the National Honor Society—Leadership, Scholarship Character, Service.

There are three initiations a year. Two of these are for Seniors; the final is in the spring.

Through the sponsorship of the National Honor Society yearly scholarships are offered. This is only one facet of the organization which seeks to further recognition of scholarship.

ADVANCED DANCE

OFFICERS. Pearce, *sr. representative;* Wallis, *secretary-treasurer;* Urich, *president;* Miss Robinson, *adviser;* Weinzapfel, *sr. representative.*

One, two, three, kick! One, two three, kick!

Sounds like football practice, doesn't it? Actually it's Terpsichoros practicing for one of their many dance programs.

"Terps" as the members like to call it, started their year off with their annual dance. "Dance of the Hours" was this year's theme, and the girls put on a floor show consisting of four dances.

The dance class combined with the vocal department to present a very beautiful Christmas Program, entitled "Christmas Values."

Winding up the years activities was the Spring Program.

The girls make up their own dances with recorded music. They elect a dance director who sees to it that the dance gets done and the costumes are all accounted for.

BALLADEERS

The 1953-54 Badger Balladeers sang their way through a highly successful school year.

Under the direction of the indominable diehard, Miss Madge W. Utterback, the Balladeers put forth an excellent musical schedule for Tusconans.

The most memorable of these from the standpoint of the THS students was the annual Christmas assembly in cooperation with the Terpsichoros.

The Balladeers also participated in the Spring Southern Arizona Music Festival, and in the Tucson Festival of Arts.

Badger Balladeers are composed of the boys' class, the Arion Club, and the Advanced Girls' class, the Allegro Club. Also "teacher" directs two beginning girls' classes, The Allegretto Club. In addition to this is "Teacher's" pride and joy the Double Mixed Quartet.

ORCHESTRA

Of the many things Tucson High students have to be proud of, the orchestra is certainly one of them.

Directed under the baton of Mr. Lauritz Bjorlie, it has played all types of popular and classical music for school assemblies and P. T. A. meetings.

There are forty-seven members in the orchestra. The officers are Benjy Gross, president; Fritz Snider, librarian; Joyce Carney, treasurer; and Betty Sterns, secretary.

BAND

The THS band, under the direction of Paul L. Grimes, had a very busy and profitable year. Complete with colorful new uniforms, the band, 112 strong, marched and played in three parades—Armistice Day, Rodeo, and 100-years celebration—at eight football games, seven basketball games, and at the Pima County Fair.

After football season, the band switched to mostly concert numbers, and played for the Rotary Club at Christmastime, at the Masonic Temple during Public Schools week, and the Southern Arizona music festival, at a pop concert for students and another school concert, and at Baccalaureate and Commencement.

Officers of the band were Gary Hoover, president; Jennie Garner, secretary; George Alexander, uniform manager; Henry Larson, librarian; and Gayle Shultz, drum major.

If you ever happened to be within a fifty yard radius of the instrumental music department about sixth period you have probably heard some of the cra-a-aziest music ever. The reason is that the Hi-Cats practice sixth period.

The Hi-Cats is Tucson High swing band. It has nineteen members and is directed by Mr. Lauritz Bjorlie.

The band in the past year, has played for the postgame dances, the Proms and Hop, at assemblies for the student body, and for some of the junior high school, and a few out-of-town dances.

The officers are Gary Hoover, president; Ken Bone and Mike Haas, librarians; and Charlie Butler, business manager.

RADIO BUREAU

Rehear sing

The Radio Bureau, under the direction of Mr. Broyles, has completed its second year of presenting Tucson High over the air.

Added to the curriculum is a 15 minute television show in which a different department is featured each week.

Over the air the radio production classes carry on news casts and "Youth Asks You" broadcasts. Production classes learn all phases of radio broadcasting and how to produce all types of shows.

The radio bureau has succeeded in showing the public how Tucson High really functions.

STAGECRAFT

THEATRE ANGELS IN OVERALLS

"Hey Joe, move that sideboard over to the right a little." "Try a different shade of blue in that spot will you?" "Shelly, please quit dropping that chimney on my head. Wait until I move out of the way if you feel you must drop it."

Don't let all the noise scare you away. It's only the stagecraft students. They compose the noisiest and most constructive class in Tucson High.

These people are the unsung heroes of the theater. Stagecraft students do all the constructing of sets, and painting of scenery. They also provide the lighting and backstage crews for every play.

These stagecraft students are the people who provide the audience with necessary equipment to aid their imaginations.

THESPIANS

A gay folk-comedy opened the season for Tucson High School's dramatic arts department. "The Far-Off Hills" by Lennox Robinson enchanted its audiences with its charm every night that the curtain opened on a new performance.

This presentation ran for six nights. It opened on November 4 and the final curtain closed in November 10.

The play took place in Glenscarrig, Ireland, a pleasant old-fashioned town fifty or sixty miles from Dublin a few years ago.

Patrick Clancy is the father of the house who has been blind for the past ten years. His eldest daughter, Marian, tries vainly to convince her audience that she wants to become a nun by shunning all admiring glances from young men.

Adding cheerfulness and youth to the play were the two little girls of the family, Pet and Ducky.

Finally, as everyone expected, Marian falls in love with a young man from America, Pierce Hegarty. The play ends on this happy note, and a very enjoyable evening came to an end.

DRAMA

"Tonight at Eight-Fifteen" by Percival Wilde was a "Children's fairy-tale written for adults" about an ogre who ate little girls. Its cast included Jack Golding, Gail Foss, Jean Shirer, Sherry Bass, Ruth Boych, Geraldine Ditman, Janet Grenell, Pamella Jet, Pat Royall, Carole Glazman, Buck Herring, Betty Moores, Eddie Carter, Ronnie Simpson, and Roger Thomas.

Conrad Sieler's delightful comedy "Why I am a Bachelor" proved how complicated that love can be. The cast featured Jim Newcomer, Roy Knutson, Dick Kaye, Patt Dutt, Jane Bennett, Janice Porter, Linda Crowley, Regina Weiss, Janice Estes, Glenda Davis, and Lona Kay Bailey.

"A Ghostly Evening" by Grace Barney was about a jealous suiter and a girl who had ideas of her own. In the cast were Lynda

Stewart, Judy Kuropatkins, Margrot Landay, Sally McDermott, Ginger Leatherman, Betty Kincaid, Trent Anderson, Lynne Freyse, Carol Bumgarner, Hurky Hodge, Peg Bevins, Lynn Campbell, and Cliff McKinney.

March 2 was opening night for the cast of "The Admirable Chrichton" by James Barrie. The members of the audience were all agreed that this was an extremely good play and equally well handled by the advanced students. The play ran through the sixth of March.

"The Rivals," an 18th century comedy of manners by R. B. Sheridan was staged April 27-May 1. This play was presented by members of the National Thespian Society.

"Laboratory Theatre," a presentation of selections from well-known theatre literature closed a very successful season on May 30.

All productions were under the direction of Lloyd E. Roberts.

DONNA CREAGER

PRINCESSES

Who the Tucsonian Queen is has been kept a secret till now. Congratulations go to Donna Creager who has been chosen in this first Tucsonian Queen Contest at T. H. S.

This contest got under way in the latter part of November when nominations were held in the homerooms. Over 50 girl's names were submitted. From these, the top twenty girls were placed on the primary ballot. The field was finally narrowed down to ten girls.

As the Christmas Holidays drew near, the final elections were held with the outcome being announced in the first edition of the Chronicle after the Christmas vacations.

Donna's pretty attendants are Jean Walsh, Vivian Byrd, Sandy Sanders and Joanna Bonecutter.

JEAN WALSH

JOANNA BONECUTTER

MARDIS STUDIO

Queen Donna, her lovely blond hair being her trademark around the school, could be found on the field during football season doing a cute little jig with her fellow song-leaders. She had also been chosen as a rodeo queen attendant this year and was in National Honor Society. In her free time, she sings at dances, meetings and just for plain fun.

Her smile and friendly attitude are just a few of Joanna Bonecutter's many wonderful qualities. Putting her heart into her work, Joanna kept up the school spirit at football games by leading the student body in cheers. Tennis being her major activity, she some how manages to also attend student council meetings. A National Honor Society member, she also finds time to participate in Girls League, Girls Social Hour and National Honor Service Society. Always reliable, she can usually be found working heartily on dance committees.

VIVIAN BYRD

Born in Jackson, Mississippi 16 years ago, blond hair, blue eyed Vivian Byrd finds time to attend Home Room Representatives and Girls League. The only Sophomore among the finalists, she likes out door sports especially swimming.

A big hello will usually be heard from Jean Walsh as she hurries to a student council or National Honor Society Meeting. This petit little songleader could also be found at Girls League, or working diligently on the senior follies. Also a rodeo queen attendant, she hails from Tucson. Doing modeling assignments for the Sunshine Modeling Club of which she is secretary, Jean was also chosen on Senior Day at the University of Arizona as a Senior Day Princess.

SANDY SANDERS

MARDIS STUDIO

Being treasurer of Girls League, Sandy Sanders managed to attend National Honor Society, Assembly Committee Meetings and Girls Social Hour. This striking beauty was one of the rodeo queen attendants in the gay festival and was also a junior guard last year.

In the Rodeo parade the THS band and twirling unit was led by the THS rodeo royalty. Queen Joanna Bonecutter was attended by Donna Creager, Sandy Sanders, Pat Voce and Jean Walsh.

With the swinging of lariats and the sound of pistol shots the Rodeo season rode into Tucson late this February.

Tucson High was invaded by the Western Spirit, too. Girls wore levis, frontier pants and gay squaw dresses throughout the festive week, while the boys looked like cowpokes just off the ranch.

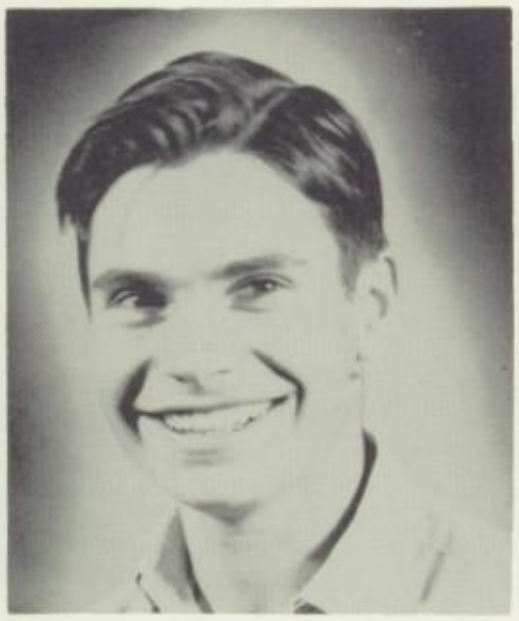
WELCOME

Ursula Lucas



Eric Struyf

To leap the span of miles stretching between Tucson and Europe seemed to be merely a hop to the two exchange students whom we are privileged to have studying at THS this year, Ursula Lucas and Eric Struyf.

Ursula was born seventeen years ago in Duisburg, Germany. Contrary to the most people, she was surprised to find so many Indians and cowboys in Tucson.

Did you know that "hot dogs" our national food, and hamburgers are originally German? They also celebrate a holiday, Karveval, which is a cross between our Halloween and Mardi Gras. Ursula says that it's "real cool."

Ever since Ursula, better known to her friends as Ula, arrived in Tucson, she has been active in many organizations such as the Skiing Club, Music Appreciation Club, Newcomer's Club and others. By the way, her favorite game since she came to America is Bingo.

After sailing the Atlantic and traveling cross-country in a bus, Eric Struyf finally alighted at his destination in the midst of our desert. This marked the beginning of a wonderful year in America.

Eric is a high school graduate, who according to our scholastic standards, is equivalent to a college sophomore.

He has studied seven languages in preparation for a career in law or politics. Next year he plans to pursue his studies at the University of Brussels.

Eric and Ursula, we at THS will miss you next year. We are very glad to have had the privilege of knowing you and studying along side of you. We sincerely hope that some day soon you will pay us a return visit.

Chris greets foreign students

Have you ever wanted to take a trip to the romantic South Seas? Guests at the Seniors' "Isle of Paradise" did just that. The aura of the islands was all around them. Over 500 couples danced amid swirls of serpentines and multi-colored confetti.

Huge murals of island scenes covered the walls. Lovely tropical seas and mountains were shaded in varying colors of blue, purple, and white. Brown, red, yellow and green were also used in the landscapes. On one side of the room a lovely island girl stood by a mural of a brown hut, the deep blue sea and the lush green of an island. Beside her was a sparkling blue fish net. Red roses hung from the ceiling and the center of attraction was a revolving treetop with three monkeys on it.

Dancers glided to the smooth, lilting music of the Hi-Cats, who played in a large grass shack at one end of the room. A sign on top of the shack read: "Club 54." Realistic palm trees were standing throughout the room and everyone felt that they were really on the "Isle of Paradise."

Leis in tropical colors were given as favors and the programs were white with the theme and a palm tree embossed on them in green. Refreshments consisted of fruit punch and pastel-colored cakes.

Poetic invitations had been sent to special guests telling them of the tour of the Pacific Island at the dance, December 12.

Seniors had a wonderful time getting ready for the Prom. Decorations were started two months before the dance. Each mural had to be worked out and filled in with crepe paper. Each was a work of art and took much painstaking labor. The blue backdrops had to be fitted together and palm trees had to be made. Invitations and programs were designed and scenery was collected. It was a lot of work but everyone agreed they wouldn't have missed it for the world!

Supervisor of the whole affair was Senior advisor, Danny Romero, who really helped the Seniors put the prom together.

The Sophomore Hop was a great success this year under the direction of Louis Farber and The Sophomore Class. The Theme "The Greatest Show on Earth" was an exciting array of vivid and gay colors. The theme formed an interesting and exciting background of circus adventure. The dance was held on April 10 in the school cafeteria at 9:00 P. M. The band played dreamy music as well as fast and exciting music. Everyone had a good time and is looking forward to next year's Hop and hoping that it will be as successful.

JUNIOR PROM

Stressing "Rhapsody in Blue" as the main theme, the Junior Class of 1953-54 presented its annual Junior-Senior Prom on April 3rd.

Students danced in a beautiful silver and blue ballroom. Other musical themes were "Young Man with a Horn" and "Torch Song."

Mr. Ernest H. Mariscal supervised the festivities.

Dear Gwen.

Here's to one of the greatest. Those last 3 years with you have been really wonderful. I owe you so much Gwen. You've been [illegible] I know I'll never [illegible] the fabulous 50. We've gone [illegible] the [illegible] We've never [illegible] fun with [illegible] have many [illegible] I would [illegible] Julyn all the [illegible] letters. — Now back to you. You [illegible] the most [illegible] the best. The best dressed [illegible] school - you always look like you've stepped out of a band-box. You are the cutest. And you know you're about the only [illegible] I've never gotten mad at. I don't know why. I guess you agree with me. We've got the same interests & we always have something to talk about. I've never been bored with you — Thanks for [illegible] alcohol, cigarettes, & friendship. I really appreciate everything you've done for me. You're a doll. There's no doubt about it. SO LONG FOLKS

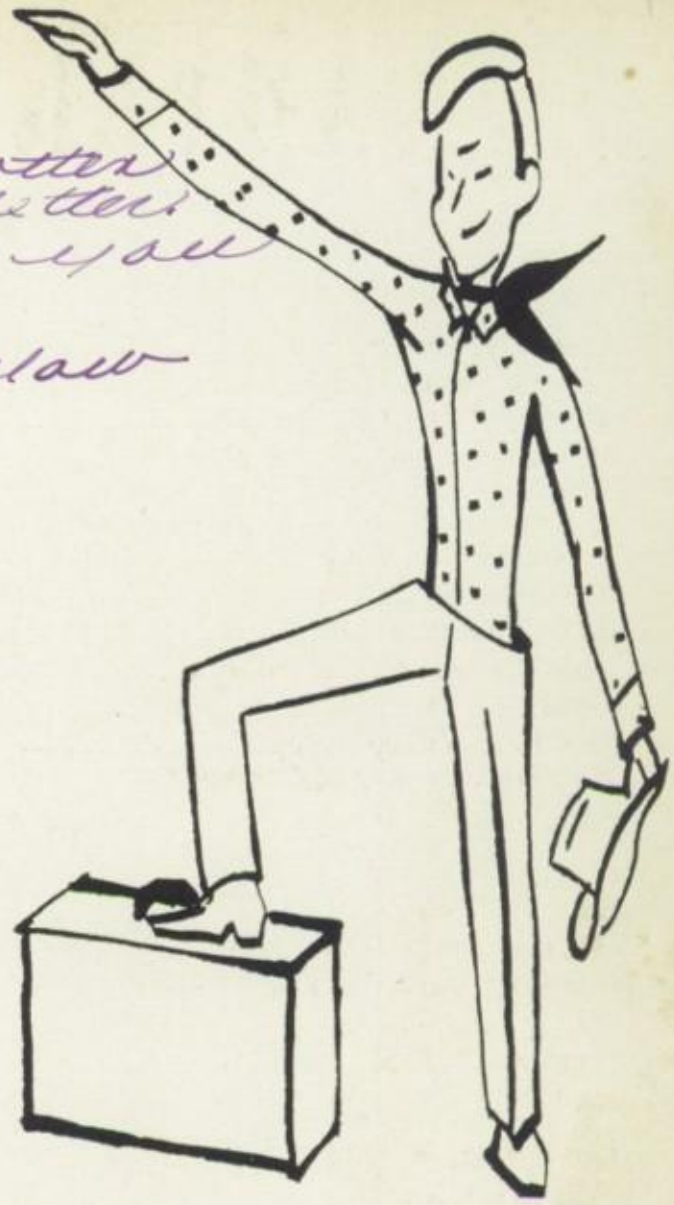
Dear Irwin,
I wish I had gotten to know you better. Loads of luck to you next year.
Buddy Vaughn



Good-bye Dudley. It certainly was enjoyable taking this trip into the past with you. Many people were responsible for our journey of Tucson Senior High School back into the school year 1953-54 when T. H. S. was the largest three year high school of the nation with an enrollment of three thousand eight hundred. Many teachers and counselors, among them Miss Harriet Martin and Miss Jacqueline Shelly, helped us select the fine staff we had this year.

Mr. Robert Knez and Mr. Hugh Summers and their book-store staff were also very helpful. It was a pleasure to work with Mr. Paul Retrum and Mr. Bill Ohlson of Inter-Collegiate Press, Mr. Ivan Mardis who took the class and Tucsonian Queen portraits, and Mr. Lynn Sanders who took the Rodeo Queen portraits.

Our advisers, Mr. Ace Flake and Mr. Harry Goldstein, were responsible for the fine spirit with which everyone on the staff worked. It was very pleasant working with them.

Everyone on the staff did a very fine job, and it was a very educational and interesting venture. We made new friends working together and meeting the challenge of putting out a yearbook. The section editors and staff heads responsible for this year's book are: Lynne Roehler, who edited the Class and Student Life sections; Joell Turner, Sports Editor; Yvonne Cunningham, Opening Editor; Jane McGregor, Advertising Layout Editor; Diana Weinzapfel and her Circulation Staff who sold over two thousand yearbooks-this year, a greater number and proportion than ever before, (Diana was also nice enough to take over the Writing Staff when our Writing Editor was forced to move back East); Ann de Cook who drew the cover and inside decorative liners and her staff who drew the art work with her; Betty Newmeyer and her Writing Staff for the copy in the book; Nadene Rykken and her Advertising Staff for the fine job they did; Buddy Vaughn, Photography Editor who, together with Olga Alcaraz, Bob Kinney and Bobby Lee took and made all the pictures in the book.

The '54 Tucsonian staff knows that next year's staff will find their adventure in putting out a yearbook just as memorable as we have found it this year.

Gwen -

Some privilege writing in a "Big Wheel" Senior's book. Oh well I'll get there some day. (Two in fact) It surely has been swell knowing you these past two years. Good luck when you graduate and don't cry on graduation night. Have fun this summer.

Good Luck.

Gwen,
you have been a real good friend. even if you are a senior.
Dee Bray

Dear Gwen,
Best luck to a swell kid. Don't think I don't know the catch and I know. I did really what it was getting to sit in Senior's row. I'll see you have all the success I'm sure you deserve and I'm proud to have known you.
Best Wishes!
Kurt
